

We Are a New Creation  
LANCASHIRE  
II Corinthians 5:16-21  
Dennis Dewey, 2013

We are a new creation in Jesus Christ our Lord,  
The past is gone and finished, and newness is restored.  
Though knowing Christ as human, we hold a point of view  
That helps see more clearly: In Christ and all things are new!

In reconciliation God sent the only Son  
To save our fractious world, to make us truly one.  
This reconciliation's the message that we bear,  
Ambassadors for Christ, so let peace come everywhere!

The one whose life was sinless, the Christ whom we confess,  
All violence rejecting, confronted sinfulness  
By giving himself freely to die upon a cross  
And overcome the powers of death and doom and loss.

We are a new creation in Jesus Christ our Lord,  
The past is gone and finished, and newness is restored.  
All glory, praise and honor to Christ the Lord we give  
That in the new creation we evermore shall live.
